CAREER HISTORY:

Mr. Philip Littlejohn was appointed Managing Director of Gujarat Pipavav Port Limited in June 2007, and is also overseeing other APM Terminals activities in India. He is on secondment from the A.P. Moller-Maersk group, with whom he worked for 37 years. Prior to joining GPPL, he was MD of Suez Canal Container Terminal, the APM Terminals transshipment hub at Port Said, Egypt, for which facility he had been in overall charge of the planning, building and operation. Prior to that he has been in various positions with the A.P. Moller-Maersk group, mainly engaged in the container transport side. This included five years in Mumbai back in the nineteen eighties. Other postings have been in the North America, the Far East and Western as well as Eastern Europe. Philip Littlejohn has furthered his education with various management courses at Insead, IMD and the London Business School.
